NEWS OF WEST SIDE

Fine Program Rendered at Summer Avenue
Presbyterian Church.

IT WAS FOLLOWED BY A SOCIAL.

Those Who Participated in the Entertainment—Manager Davis, of the Haydn Evans Company, Leaves for New York to Sail for England—Salvation Army to Camp at Lily Lake—Other Notes.

Large numbers of people flocked last evening to the Summer Avenue Presbyterian church where a most unique affair in the shape of an entertainment and social was conducted. The affair was in the classes of the Rev. R. G. Jones and Mrs. Gregory, and was a decided success.

B. Z. Davis was chairman of the evening. The affair opened with a selection by the ladies' choir under the direction of Mrs. G. Powell and showed that the great energy that Mrs. Powell has displayed in this work has been well rewarded. Miss Mattie Hughes, a winsome little Miss, gave an excellent recitation which received hearty applause. Mrs. Powell gave a solo and a recitation by Miss Reynolds was most effectively applied. A solo was rendered by Miss Annie Jones and Miss Jennie Hughes gave a splendid recitation.

Miss Mitchell, a charming young lady, made her debut last evening in a splendid solo. She possesses a fine contralto voice and sings with ease and effect. Miss Margaret Jones sang, which closed the entertainment.

A social followed, during which cake and cream were served. At the close of the entertainment W. A. Price made an excellent address to Bezael Davies, who leaves for England today, in which he spoke in behalf of the congregation, wishing Mr. Davies a safe journey and success in his efforts for the Haydn Evans company.

LEAVE FOR WALES.

Bezael Davies Goes to Europe to Arrange for Concerts.

At 10 o'clock this morning Bezael Davies, of Waaburn street, left on a Delaware, Lackawanna and Western train for New York city. He will take passage on the steamship Chester for Southampton, where he goes in the interest of the Haydn Evans Cambro-American Co-operative company.

Mr. Davies is manager and advance agent for the company and it will be his duty to secure halls in which to hold the concerts when the party goes over on Aug. 22. The company expects to give from thirty to forty concerts during their visit to England and Wales, beginning at Southampton.

Mr. Davies will stay there throughout the engagements. The company is organized with the following members: Soprano, Miss Sadie Kiser, of Wilkes-Barre; contralto, Miss Freeman, of Huntington; tenor, James Ansell, of Pottsville; bass, Joseph Burns; violinist, Miss Julia Allen, daughter of Dr. W. E. Allen; accompanist, Professor Haydn Evans.

[Under this heading short letters of interest will be published when accompanied, for publication, by the writer's name. The TRIBUNE will hold responsible for opinions here expressed.]

DAVID JONES' DENIAL.

Editor of THE TRIBUNE:

Dear Sir:—In issue of your paper of Friday, July 27, 1894, the following article appeared:

David Jones, the "sprinter," hailing from the North End, was arrested last Thursday evening by Officer Sartor on Jackson street. Early in the evening Jones entered the store of Mrs. Johnson on Jackson street where he produced a \$100 Confederate bill, and was given a receipt for it. Jones gave her the bill which she sent out to get changed. The bearer of the note soon returned stating that the money could not be changed, as it was a Confederate bill. Mrs. Johnson then demanded her \$125 from Jones, who refused to give it back. Jones took the bill and placed it in his pocket. Officer Sartor was summoned, and he was taken to the station house. He there concluded to return the money and was released from custody.

The above article is false and untrue in every particular so far as I am concerned. I never was arrested last Thursday evening by Officer Sartor on Jackson street, nor by any other officer. I do not know where Mrs. Johnson's store is, nor did I ever attempt to pass on her or any one else any counterfeit or confederate money. I was at my work in the mines at the time of the occurrence and know nothing whatever about it. Some one has imposed upon your reporter by giving my name, as I am the only "David Jones, the sprinter," hailing from the North End.

Knowing your desire to do that only which is right, I send you this correction of the infamous lie.

DAVID JONES.

CAMP MEETING AT LAUREL HILL.

Exercises That Will Be Conducted There

Next Sunday.

There will be an old fashioned colored camp meeting at Laurel Hill park on Sunday, Aug. 5, which will be conducted by Rev. W. A. Fitch, of Montrose.

There will be a band of jubilee singers led by a colored man who was for twenty-five years a slave. As a plantation singer he has no peer. The services of the day will be as

follows: Class meeting, 12.30 p. m.; preaching by Rev. Fitch at 3.30 p. m.; theme, "The Three Wives"; sacred concert service at 4 p. m. by the jubilee singers; preaching at 7.30 p. m., theme, "The City Hath No Need of the Sun." After the sermon there will be a special programme of plantation melodies disseminated by the singers. A special invitation is extended to all to attend such service.

MORROW GIVEN A HEARING.

In Default of Bail He Was Sent Back to County Jail.

Frank Morrow, who shot and seriously wounded Constable Dougherty, at Archbold several weeks ago, and then fled to New York, was given a hearing before Justice of the Peace Munley yesterday, being taken to Archbold for that purpose by Warden Michael Grimes, of the county jail.

Charges of felonious wounding and attempting to kill were preferred against Morrow, and in default of bail he was sent back to the county jail.

NORTH END.

[The North End office of the SCRANTON TRIBUNE is located at the Lewis Drug Store and John S. Wadsworth, having subscriptions, advertisements and communications will receive prompt attention.]

DARK SPOT IN THIRD WARD.

A Hole in the Wall That Is a Disgrace to This Part of the City.

The North End is the forward section of the city in moral and religious work, and it is, therefore, not to be wondered that definite rumors are heard and the assistance of the press sought with regard to the unlicensed drinking shops. Fortunately but a few of the "holes in the wall" are in the type sometimes heard of, but one case in particular, situated in the Third ward, calls for special mention.

The existence of this vile spot is well known throughout this section, and recently the scolding of one of the town connected with this degraded establishment further advertised its miserable condition.

Ministers of the gospel unite in condemning these dark spots of this fair section, but something more than mere denunciation is required. More drunkenness occurs in this particular place than in twenty licensed saloons, and to an ordinary person admission is a matter of ease. The tumult plainly indicates its position and the business carried on as well as the class of people who frequent the rooms. It is a matter of local notoriety that single and married people are not fit to be together, and scenes which are not fit for public description are a disgrace to civilization frequently take place.

In reply to a TRIBUNE reporter's question, one of the ward constables remarked that the difficulty be contented with to secure evidence sufficient to establish a direct sale so as to convict the parties.

There can, however, be no equivocation with regard to the case referred to. It is a standing disgrace to this section of the city and a center of temptation which should be ruthlessly swept away.

NOTES OF SOUTH SIDE

George Rosen Was Correctly Reported in Yesterday's Tribune.

JOSEPH OSWALD'S RETURN HOME

A Reception Was Held at His House Last Night at Which Many Friends Were Present—Michael Golden Sunstruck—The High Fall of Michael Merrick from a Window—Short Notes and Paragraphs.

To set the matter right before the public as long as the South Side correspondent of the Truth troubled himself yesterday afternoon to deny what THE TRIBUNE had to say about the affair between John Rosen and his son George, the following true statement is given:

A TRIBUNE reporter heard on Monday afternoon that George Rosen, of the South Side, employed by his father to run the hotel on Cedar avenue, had absconded early in the day with \$400 and called at Mr. Rosen's hotel to investigate the report. George Rosen was behind the bar and in answer to the reporter's questions said:

"You know father's mind is getting weak and he thought that I had run off with about \$400 and at the same time I was asleep in bed." Then young Mr. Rosen went on to tell what his father had done to spread the report that he had run off with some money. He said that it was nothing more than a vagary of his father's, and that he had furnished a receipt for the sum he was charged with taking.

The reporter then asked young Mr. Rosen how he wished to have the matter reported in the newspapers. He said, "You can report it just as I have told it to you." And taking him at his word, the account of the matter was given in yesterday's TRIBUNE, the denial in yesterday's Truth to the contrary.

JOSEPH OSWALD'S RETURN HOME.

A Reception Was Held at His Residence Last Night.

Joseph Oswald, the Pittston aviator, who left on May 1 for his parent's home in Munich, Germany, on a vacation of three months, arrived home yesterday afternoon and last night his friends assembled at his home to give him a return greeting.

Mr. Oswald looks healthier and more active than upon his departure. A most pleasant time was spent at his home last night. The Mozart band serenaded him at 9 o'clock, after which refreshments were served. The names of those who were present last night are: Mr. and Mrs. Oscar Grambo, George Oswald, Mr. and Mrs. Frank Diebert, Mr. and Mrs. Ambrose Herz, Mr. and Mrs. Fred Worner, Mr. and Mrs. Peter Gaud, Mr. and Mrs. Anthony Hafner, Mr. and Mrs. Anthony Boschek, Mr. and Mrs. Joseph Snyder, Mr. and Mrs. George Graehamer, Carl Shorer, Arthur Hewitt, Miss Mary Feilbauer, Philip Fisch, Stephen Basco, Mr. and Mrs. John Fichtel, Maggie Fichtel, Mary Fichtel, Dr. A. J. Kolb and Joseph Frutney.

THE CAR WAS TOO SPEEDY.

A Later Acquaintance Found the Pavement Was Too Hard.

Phillip Koch, the cigar maker, of 338 Willow street, was thrown heavily to the street yesterday at noon in getting off a South Side car on Cedar avenue near Albar street.

Mr. Koch stepped off the car while it was going at a high rate of speed and was thrown heavily forward, his face striking the Belgian block pavement and resulting in bruising it badly.

Dr. Kolb attended Mr. Koch and found him badly bruised internally. It will be a month before he will be able to attend to business.

FELL TWENTY FEET.

A Six-Year-Old Boy Falls That Distance from a Window.

Michael Merrick, the 6-year-old son of Mrs. Merrick, of Palm street, fell from the upstairs window of the house yesterday, a distance of twenty-feet, to the hard ground below and, strange to say, was not killed, although the child struck on the top of his head.

There was a deep gash in the scalp, however, which required six stitches to sew up. Dr. Manly does not consider the case at all serious.

MICHAEL GOLDEN SUNSTRUCK.

He Collapsed from the Eff of the Heat Yesterday.

Michael Golden, of Palm street, was another victim of the heat at the South works yesterday. He was employed in the yard and a few minutes before noon was forced to give up work.

His death was looked for, but Dr. Manly succeeded in bringing him about, so that he is now out of danger. Dr. Manly stated last night that Golden would be able to go to work in a week.

SOUTH SIDE JOTTINGS.

Rev. Edward Larg, visited yesterday in Wilkes-Barre.

Miss Annie Connell, of Birney avenue, leaves today for Atlantic City.

Madeline Spruko, the bright child of Mr. and Mrs. L. S. Spruko, is ill.

Dr. J. J. Walsh returned last night from a visit to his parents in Waymart.

Mrs. Cavley, aged 55 years, mother of John Cavley, of Brook street, is not expected to live longer than a day or two.

Barber J. Lu Zung, whose fingers were badly cut a few days ago with a hatchet, is able to attend to business as well as ever.

Charles Wachowichick and Leonard Schuchman, of Philadelphia, are here for the purpose of attending to business.

THINKS THEY WILL REDEED.

Comment of the Scranton Record on the Statoli Bill.

In its issue of Saturday the Scranton Record, commenting upon the recent ruling of Mgr. Statoli upon the liquor question, said: "This course should not be surprising to any one who has the faintest idea of the gigantic evils which are perpetuated and fostered by intemperance, nor will it appear strange to those who have observed the attitude of the church for ages on this most important question. The liquor traffic has been abused and evil consequences have been fostered as a consequence, and this is why the church has raised her arm more strongly against it year after year."

"This decision of the apostolic delegate when put into operation will be censured and opposed, but that is only natural. We believe, however, that the day is coming when Catholics, in accordance with the wish of their

spiritual superiors and under the pressure of public opinion, will gradually concede from this particular means of livelihood."

HONORARY MEMBERS' PRIZE.

It Has Been Placed on Exhibition in This City.

The prize cup, known as the "Honorary Members' Prize," of the Scranton Press club, won at last year's Lake Ariel regatta by the senior four-oared crew of the Passaic Boat club, Newark, N. J., was returned to the city yesterday and is on exhibition in one of the show windows of Sumter Bros.' clothing store on Lackawanna avenue.

This cup will again be competed for at the regatta to be held at Lake Ariel on Tuesday, Aug. 14, and is but one of the half-dozen handsome prizes to be contested for on that day.

Scranton's Business Interests.

THE TRIBUNE will soon publish a carefully compiled and classified list of the leading wholesale, banking, manufacturing and professional interests of Scranton and vicinity. The edition will be bound in book form, beautifully illustrated with photographic views of our public buildings, business blocks, streets, etc., together with portraits of leading citizens. No similar work has ever given an equal representation of Scranton's many industries. It will be an invaluable exposition of our business resources. Sent to persons outside the city, copies of this handsome work will attract new comers and be an unequalled advertisement of the city. The circulation is on a plan that cannot fail of good results to those concerned as well as the city at large. Representatives of THE TRIBUNE will call upon various persons whose names are desired in this edition and explain its nature more fully.

Those desiring views of their residences in this edition will please have notices at the office.
